S_0 is the score for quality allocated to the submission under consideration

M_S is the maximum possible score for quality in respect of a submission

The score for quality and financial offer is to be combined, before the addition of the score for preference, as follows:

Where W_3 is the number of tender evaluation points for quality and financial offer and equals:

90 where the financial value, VAT inclusive, of all responsive tenders received have a value in excess of R 2,000,000; or

S is the sum of score for quality and financial offer of the submission under consideration
