COMPANY DETAILS: NAME OF COMPANY:_____ CONTACT PERSON:_____ TEL. No._____ FAX No._____ REG. No._____ BROAD BASE BLACK ECONOMIC EMPOWERMENT (BBBEE) Transnet fully endorses and supports the Government's Broad-based Black Economic Empowerment Programme and it is strongly of the oppion that allSouth African Business Enterprises have an equal obligation to reddress the past. Transnet will therefore prefer to do business with local business enterprises who share these same values. Transnet will endeavour to do business enterprises that possess a BBBEE "recognition level" of at least a level 5. Transnet urges Tenderers (large enterprises and QSE's- see below) to have themselves accredited by any one of the various Accredition Agencies available, who do their BBBEE ratings in accordancewith the latest Codes(i.e. those promulgated on 9 February 2007) and whose names appear on the present ABVA (Association of BEE Verification Agencies)-"List of Full Members" as displayed on the ABVA website (www.abva.co.za) Although no agencies have, as yet, been accredited by SANAS (SA National Accredition System), Transnet will, in the interim, accept rating certificates of tenderers who have been verified by any of the listed agencies. Enterprises will be rated by such agency based on the Following: 1. Large Enterprises (i.e. annual turnover>R 35 million: "Rating level base on all seven elements of the BBBEE scorecard. 2. Qualifying Small Enterprises-(QSE)(i.e anual turnover>R5M but <R35m "Rating based on any four elements of the BBBEE scorecard. NB:
3. Emerging Micro Enterprises-(EME) (i.e anual turnover<R5m)are exemptedfrom being rated/verified: "Automatic rating of Level 4 BBBEE irrespective of race of ownership, i.e.100% BBBEE recognition
"Black ownership>50% or Black Women ownership>30% automatically qualifies as level 3 BBBEE, i.e. 110% BBBEE recognition.
"EME's should provide certified documentary proof of anual turnover (i.e. audited financials) plus proof of Black ownership if Black ownership>50% or Black Women ownership >30% from the EME's Auditor/ Accounting Officer.
4. In addition to the above, Tenderers who wish to enter into a Joint Venture or subcontract portions of the contract to BBBEE companies, must state in their tenders the percentage of the total contract value that will be allocated to such BBBEE companies should they be successful in being awarded any business. A rating certificate in respect of such BBBEE JV-partners and /or sub-contractor/s, as well as a breakdown of the distribution of the aforementioned percentage must also be furnished

In view of the high emphasis which Transnet places on Broad-based Black Economic Empowerment, Transnet will allow certain preference points for BBBEE in the evaluation of all responses. Depending upon the value of the ensuing business award (i.e.below or in excess of R2m), the 80/20 or 90/10 point preference
